SUMMARY

Brand and integrated marketing leader with 20+ years across consumer internet, travel, and culture. Builds campaigns end-to-end — from insight mining and big idea to earned, owned, and paid execution. At [Headout](#), ran a concentrated creator program for the Indian market that delivered 23M+ views and 814K+ engagements in a single quarter on a \$180K annual budget, plus a global creator program scaled past 1,000 collaborations per quarter. Shipped culture-led campaigns with Singapore Tourism Board, Disneyland Parks, and Universal Studios Japan. Currently founder of The Story Shapers Collective, a storytelling-led marketing agency working with consumer and culture brands.

SELECTED WORK

- Ran a concentrated creator program in the Indian market for Headout brand visibility and perception — 73 creator collaborations across Instagram and YouTube in 2024, delivered 23M+ views and 814K+ engagements in Q2 alone. Hit 350% of the Instagram views target and 581% of the engagement target.
- Owned the \$180K annual budget for the India program — came in 41% under spend (\$106K used) while overshooting reach and engagement targets. Instagram CPV landed at \$0.002 against a \$0.009 target.
- Scaled Headout's global creator program from under 50 to 1,000+ collaborations per quarter across 4 markets — 10x content output at a sub-\$1 CPM, ops cost down 70%.
- Co-branded campaigns with Singapore Tourism Board, Disneyland Parks, Universal Studios Japan, Mandai Group, Summit One Vanderbilt, Disney Broadway, and Royal Albatross Cruise — partner-led storytelling that landed in both creative reviews and quarterly business readouts.
- Rebuilt Headout's brand storytelling across content, email, and social — voice realignment plus seasonal campaign architecture lifted engagement 35% YoY.
- Scaled Little Black Book's editorial operation to 1,000+ features across food, fashion, parenting, and culture, with regional creator networks driving 20% MoM growth in local readership across Kolkata, Hyderabad, and Pune.

EXPERIENCE

Founder — The Story Shapers Collective / Remote 2024 — Present

- Founder of a storytelling-led marketing agency working with consumer, culture, and creative brands. Step in as fractional Head of Brand, own outcomes, ship the work.
- Run the full arc on every engagement: cultural insight, brand positioning, big idea, and integrated execution across content, creator, community, and partnerships.
- Build and run senior pod teams per engagement, keeping creative craft tight while staying accountable to commercial outcomes.
- Build internal AI-native workflows on Claude Code, n8n, and GitHub — automating research, content ops, and campaign reporting across client engagements.

Fractional Head of Marketing — Art Fervour / Remote Oct 2024 — Jan 2025

- Owned brand and marketing strategy in a fractional capacity, working directly with the founder to shape long-term cultural positioning.
- Defined voice, story, and ecosystem across artists, collaborators, and partners — anchored campaign thinking for artist-led, culture-driven IPs.

Brand Marketing Manager — Headout / Remote Jul 2023 — Present

Content Marketing Lead Jul 2022 — Aug 2023

Senior Content Writer Oct 2021 — Jul 2022

- Own end-to-end campaign delivery from consumer insight and creative brief through earned, owned, and paid execution. Manage monthly marketing budgets up to \$50K across creator, paid amplification, and partnership spend.
- Ran a concentrated creator program for the Indian market focused on Headout brand visibility and perception. Annual budget: \$180K, 73 creators activated, 23M+ views and 814K+ engagements in Q2 alone, 350% over Instagram views target, came in 41% under budget.
- Scaled the [global creator program](#) from under 50 to 1,000+ collaborations per quarter, sub-\$1 CPM, 10x content output, 70% lower ops cost. Designed payment, briefing, and QA systems that let it scale without losing creative discipline.
- Ship co-branded work with Singapore Tourism Board, Disneyland Parks, Universal Studios Japan, Mandai Group, Summit One Vanderbilt, Disney Broadway, and Royal Albatross Cruise.
- Manage agency relationships and paid amplification, working with creative and media partners across briefing, reviews, and reconciliation.
- Hired and scaled the brand marketing team from 2 to 10+, organised into pods that balanced creative autonomy with delivery rigor.
- Built AI-driven workflows for content ops and outbound campaigns — cut manual hours by 60%, freed the team to focus on craft.
- Partner with product, insights, and data leadership to shape the organic growth roadmap and quarterly marketing vision.
